

HP WallArt Solution Templates

March 2015

What is an HP WallArt template?

Is a tool for Print Service Providers to improve workflow to easily redecorate spaces periodically

Minimum scope, to manage a maximum of 20 locations by account. Big accounts needs a complete different solution

A template includes [wall layout and applications](#) pre-defined to help you repeat your wall décor set up over and over again, automatically, just modifying the content, if you wish

How can templates **benefit** your **business workflow**?

How can templates **benefit** your **business workflow**?

- 1 Speed up the process**
- 2 Avoid mistakes**
- 3 Enhance usability**

HP WallArt for spaces redecoration

Accounts

Retail Brands, Hotels,
Restaurants

Spaces to decorate

Stores, Living rooms,
bedrooms, dining rooms

Templates

Layouts with a concrete
application already defined

Functionability

How it works

Templates management: *2 main use cases*

- 1** PSP creates and manages customer templates
- 2** PSP gives access to their accounts and allows them to modify and manage templates content

1. PSP creates and manages customer templates

How it works

Steps to redecorating one space: **TEMPLATES**

1 USE CASE: PSP creates and manages customer templates

1 Create a new account

Production settings for your templates

Tile settings

The screenshot shows the 'Production Settings' section of the HP WallArt Solution interface. At the top, there is a blue header with the text 'HP WallArt Solution'. Below it, the title 'Production Settings' is displayed. The 'Name' field contains 'wed retailer' and is annotated with a blue arrow pointing to it from the text 'Name of template'. The 'Space' dropdown menu is currently set to 'Madrid' and is open, showing a list of options: 'Maisons Home deco', 'CLING Design+Objects', 'Your Dress', and 'Starm Charm Hotel'. A second blue arrow points to the 'Your Dress' option with the text 'You can re-assign to a different space'. The 'Tile width' field is set to '63.5'. Below this are several checkboxes: 'Average' (unchecked), 'Optimize tile size for roll width' (unchecked), 'First tile position' (radio buttons for 'Left', 'Center', 'Right', with 'Center' selected), and 'Rotate alternate tiles in the PDF' (unchecked). The 'Tile installation' section has radio buttons for 'Edge to edge', 'Japanese overlap marker', and 'Overlap' (selected). A large bracket on the left side of the interface groups the 'Tile width', 'Average', 'Optimize tile size for roll width', 'First tile position', and 'Tile installation' settings under the label 'Tile settings'.

Account's Landing Page

The screenshot shows the HP WallArt Solution account landing page. At the top, there is a blue navigation bar with the HP logo, links for 'For Home', 'For Work', and 'Support', and a search bar labeled 'Search HP.com'. Below the navigation bar, the text 'Welcome to HP WallArt Solution' is displayed. A central banner features the headline 'Boost your wall decoration opportunity' and a sub-headline 'Expand into high-value customized wall decoration for residential, retail, or commercial spaces, from wallcoverings to posters and canvas. From wall layout to print, HP WallArt¹ makes it simple.' A white login form is overlaid on the banner, titled 'HP WallArt in Store Design'. The form includes the 'dp' logo, the 'Maisons' logo, an email input field, a password input field, and a 'Login' button. Below the form is a link for 'Contact Digital Printing'. Annotations with blue arrows point to the 'Print Service Provider's logo' (the 'dp' logo), the 'Account's Logo' (the 'Maisons' logo), and the 'Direct contact with the Print Service Provider' link. The background of the banner shows a child's bedroom with a bed, a chalkboard, and toys.

Select your new content on your template

The screenshot displays the HP Canvas editor interface. At the top, the title bar shows "Maisons Home deco" on the left, "Canvas: *canvas_submit - USD 2.35" in the center, and "Maison by hp" on the right. The main workspace features a large preview of a city street scene with various buildings and billboards. Below the preview, a "Select a Background" panel is visible, containing a row of background thumbnails. The fourth thumbnail, which shows a city skyline, is highlighted with a blue border. To the right of this panel is a "Preview" button. At the bottom of the interface, there is a copyright notice: "© 2015 Hewlett-Packard Development Company, L.P. By using this site you agree to be bounded by these terms. This website complies with the HP Privacy statement and the HP Personal Data Rights Notice." The HP logo is located in the bottom right corner of the interface.

The screenshot shows the HP WallArt Solution dashboard. At the top, there are navigation links for 'FAQ', 'Tutorial', and 'Need help?'. Below this, there are logos for 'dp For Maisons Home deco' and a QR code with the code 'A19D9FA'. A 'Start' button and a 'Keep open' checkbox are also visible.

The main content area is titled 'Go to Orders' and has two tabs: 'Orders' (selected) and 'Spaces'. Below the tabs is a search bar labeled 'Browse:'. The main content is a table with the following columns: 'Project', 'Dates', 'Project Information', and 'Actions'.

Project	Dates	Project Information	Actions
 Job ID: #74584	Created: 01/23/2015 08:38 Ordered: 02/11/2015 16:22	Name: canvas_submit Type: Canvas Origin: Kiosk Customer: - Template: canvas_submit (Madrid) Tags: - Size: 35.0 x 25.0 cm Area: 0.09 m ² Content: ⓘ	View project Edit project Convert to template
